

## **Thank You for Your Business, we greatly appreciate you**

If you are renting Plateware, Flatware, Glasses, Chafing Dishes or Serving Utensils we ask that you please rinse off the food. If the food dries to the rental items we have to soak the items or hand wash them. This process takes up a great deal of time and man hours. If the items are returned not rinsed then we will have to charge a .35 cents per item for this process. If you are in an area that has no sink, we ask that you at least run the items through a bucket of water. The items will be rewashed when they are return.

Thank you again for understanding, and if you have questions please call
